Foreword

☆

IN the CHAIN AND ANCHORS of 1950, the emphasis has been placed mainly on the interests of the students themselves in an effort to present a complete record of the year's activities. Many events have been included which will live long in the memories of Fairfax girls. The staff of your yearbook hopes that the pictures and stories which follow may remind you of many joyous occasions.

Mrs. W. D. Richey

Dedication

WE SHALL remember Mrs. Richey as one of the truest and dearest friends we have ever made, who has guided us through some of our first experiences away from home, and whose principles and ideals will remain forever with us. We, the Staff of the 1950 edition of CHAIN AND ANCHORS, offer our sincere love and best wishes to Mrs. W. D. Richey, to whom we dedicate this book.

"DONNA-LEE"

When you hear that "Clomp, clomp" down the hall of Senior Dorm, it isn't Mr. Carter; it's Andross herself, and she is still carrying a torch for the "Keefer." This Connecticut Yankee with those "come hither" eyes has one of those rare personalities that can never be forgotten! Donna-Lee has gained the love of all of us here at Fairfax and she will always be remembered, for her jokes, sense of humor, and her everlasting "Quips"—"*O-oh, Oui, Oui!*".

"HARRIET"

Precious articles always come in small bundles, and we have our "Little Bit." Of course, the first thing one notices about Harriet is her beautiful and unusual eyes. After that one just goes right on discovering lovely things about her. The future looks bright for our "Little Bit," who, in parting, leaves behind a host of friends wishing her every success.

"Janie"

If you should see a bright smile accompanied by a sweet voice coming out of Room 20, it is none other than Janie Cotten with her stack of "Logs" to read us some funny jokes she has just discovered. Cotten is quite the gal for telling her tall tales and could beat any fisherman at it. She has a singularly good voice and her favorite songs are "Fight for the Navy" and "Anchors Aweigh." If one should come back to the smoker and hear laughter and shrieks, it is our gal Janie telling us the latest Fairfax gossip.

"Sook"

When we think of school, we invariably think of life-time friends, but there is usually one who particularly stands out in our minds. The one I am thinking of is none other than "Sookie" Fain. She, with her personality, smile, and unbeatable energy has made life wonderful. She is great at cheering her teams, and she's even better on the golf course and the tennis court. If you ever want to know where to go for a good week-end, just ask her (and I bet it begins with a "C"). Yes, the years may part us all, but we will never forget this girl who is fine, just because she is "Sook".

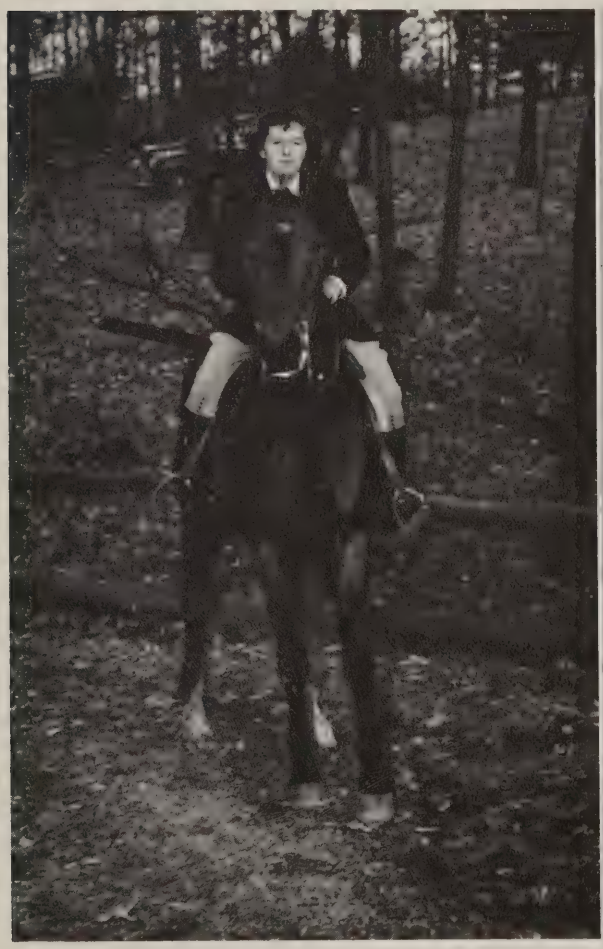
"Cissie"

"The difference between the right word and almost the right word is the difference between lightning and the lightning bug." Thus, I find it hard to write just what I would like to say about "Cissie." Surely none of us will ever forget her sincerity, good advice, loyalty, wonderful sense of humor and all the other qualities she possesses which make her the best friend one could wish for. Nor will we forget her love for loud(!) socks, Howard Johnson steaks, gay times, Marchioness, and, of course, Carolina!

"Totty"

Totty has every characteristic that one looks for in a true friend. She hails from Nashville, Tennessee, and, though just a little girl, she is full of common sense, book sense, and general understanding. She is a charming girl and always a lady. Making friends is one of the best things about going away to school and I've certainly found a friend in Totty. I'll never forget those "details," that sly giggle, and those monstrous petticoats!



"Carolyn"

This cute little Southern gal, who doesn't quite touch the five-foot mark, comes from Palmetto, Florida, known as the Gateway to Tropical Florida. She is southern through and through, and is full of fun and personality. She eagerly appears at each mail call waiting for a letter from her one and only. She enjoys singing, dancing, and having fun with her friends. She has all that it takes to be a wonderful friend, and she has an easy-going manner that everyone loves. Wherever you see her, she always has a smile for you, and as a roommate, she is certainly tops.

"Hydie"

Hydie hails from Hampton, Virginia. You might have to look up to see her, but you will always find a smiling face and a kind word. If you can't find her, just look for a typewriter. She will probably be typing last-minute articles for her greatest project —the *Hall Chatter!* Hyde loves to dance, especially the "Shag." She also likes to trip over the numerous clothes racks and leave the radio on all night. This "hazel-eyed cutie" who forgot to stop growing has won us all with her charm and personality. Good luck in the future, Hyde!

"Bobbie"

This little five-foot cutie hails from a very Yankee town in a very Yankee state—Coldwater, Michigan. Even though it's Southern versus Yankee, she is a mighty sweet girl. She and her "one and only" have big plans for about a year from now. She loves dancing and, among her many outstanding character traits, she has a grand personality. Last, but not least, I am proud to be her roommate and her friend.

"Fifi"

"Fifi" is a typical Southern belle beauty, poise, charm, plus brains! One can readily see her wide range of interests by glancing into Room 23. The walls are papered with paintings to add a touch of color; stacks of worn, dusty plays are stuffed into every corner to add a theatrical atmosphere; an odd variety of plant life "jungles" up the room and there's also an aquarium —for no good reason at all. Fifi's sincerity and friendly manner have gained the love of all of us.

"Barb"

"Rugby," not football, and "been," and "the bell has gone," are just a few of the expressions we hear from our Canadian friend, "Barb" Liptrott. She is very energetic, likes any kind of sports, can sit for hours knitting and fixing others' mistakes, and she has developed a passion for typing which she taught herself. She is reserved, but her eyes frequently dance with some devilment, and a hidden wit pops up. Barb is a swell person, so get acquainted with her.

"Kit"

From Baltimore, our class is represented by Kit. Her time is spent mostly in struggling over accounting, but she manages to put in a little time at the Faxette. Her ability to get along with people will make her long remembered among her classmates. We might add that her favorite week-ends have been spent in Lexington, Virginia.

"Harriet"

Harriet is a girl from 'way out Westy West Virginia, and she is faithful to her state. She likes football players, especially West Virginians, but is inclined to notice U. Va. She is good-natured, but when her temper is aroused—look out! Harriet is tall, pretty, and has a good West Virginian twang in her voice. Her favorite expressions are "Buddy" and "I have got to lose weight." Everyone likes Harriet!

"Betty"

When Betty plays her game, she plays it well. She is spirited and co-operative, ready and willing to give of herself, and time and energy to benefit her friends and her team. Her merry sense of humor is novel; she is honest in opinion and character. . . . "Give to the world the best you have and the best will come back to you".

"Joney"

☆

"*Je vais a l'ecole*" . . . that's Joney Sarazan speaking as she studies her French while doing a thousand other things. This pint-sized human dynamo hails from Fort Worth, Texas, and is one of the most active girls on the campus. Her flair for dramatics keeps her constantly on the go, as does her writing ability. With never a minute to spare, Joney still manages to have time for everybody with a problem and to keep her pleasant disposition. Joney is a grand gal and I'm proud to be her roommate.

"Marianne"

☆

We hear a laugh and, turning around, see Marianne convulsed with laughter. Although we have not the least idea what it is all about, we add our voices of general good humor. She succeeds in pushing aside the heavy moments of the school-day existence. She is a friendly, cheery girl; that is why we like her so much.

"ANN"

☆

"Annabelle," one of the grandest, and a typical Florida peach she is too. Our Esther Williams is known all over the school for her pixie smile and her marvelous ability as a swimmer. She loves to dance, sing, and eat, for at the appointed "thrice daily" you can hear her voice singing through the "hallowed halls"—"Anybody going to the Faxette?" For a time, "Simpleton" had no heart strings attached, but since returning to school on a fine November night with an Annapolis crest, she can be heard singing "Anchors Aweigh" and "Fight for the Navy" with the rest of the Navy rooters.

"BAILEY"

☆

From Martinsville hails one of the best. Yes, Bailey is from the South and anyone talking to her would have no doubt about this. Rebel! How could we ever forget her fine ability for sewing? Take the time she sewed the seams up backwards on her lovely wool skirt. How about those ears hanging out of her shower cap? If we could find a synonym for "crazy," it would describe our fun-loving "Bail".

"Martha"

☆

"How do you do this English?" is the usual greeting Martha gets from her roommate and other classmates during study hall. This blue-eyed blonde is one of those rare little gals who can swallow the academic routine without gulping and still have time for her many other activities such as music. Organ is one of her loves and it certainly returns her devotion. Coming to college with a Phi Theta Kappa key, much was expected of her and Martha lived up to it all by being awarded the scholarship medal in her Junior year at Fairfax. Her character boasts those adorable twins, a hospitable smile and a southern drawl. Martha's friendliness, wit, intelligence, and music will carry her anywhere she wishes to go and gain many friends in the process.

Purpose

The Young Women's Christian Association of Fairfax Hall spreads a Christian influence throughout our everyday life. This group inspires us with its chapel and vesper services and comforts us with its "Big Sister" program. It educates us with its instructional films and lectures and entertains us with its movies and parties. The "Y" encourages friendliness and adds charm, fun, and inspiration to our school life.

The national honorary scholastic society of Fairfax Hall Junior College is Phi Theta Kappa. Scholarship, leadership, and service are emphasized by this society, and wisdom, aspiration, and purity are its basic foundations. The society is similar to Phi Beta Kappa in a four-year college.

The Athletic Association is an organization which helps Fairfax girls keep physically fit and maintains good sportsmanship in every way throughout the school year.

In order to become a member of the Athletic Association one must make twenty-five points by participating in sports other than those required.

The student body is divided into two teams, "Orange" and "Black," which represent the school colors. The purpose is to promote sports activities among the students and to help girls gain Athletic Association points.

The Association sponsors activities such as: Hockey, Basketball, Baseball, Tennis, Bowling, Riding, Archery, and many others. Hockey and Basketball Teams participate in games with many schools and the trips are fun.
